QUESTION 1

Which three InDesign features are supported in the SWF file format but not PDF? (Choose three.)

- A. Page curl page transition
- B. Animations from the Animation panel
- C. Multi State Objects
- D. Video controls in the Media panel
- E. Alt Text in Object Export Options

Correct Answer: ABD

QUESTION 2

You are exporting a document to PDF. You know that someone viewing your PDF document will need to copy and paste selections of text from the PDF into another program. What changes would you make to the Export Adobe PDF dialog box?

- A. Select Create Tagged PDF
- B. Select Acrobat Layers
- C. Select Embed Page Thumbnails
- D. Deselect Page Information
- E. Deselect Compress Text and Line Art

Correct Answer: C

QUESTION 3

Why would you want to use the Gradient panel instead of the Swatches panel when applying a gradient to a frame?

- A. You want to apply the gradient to a single word in a text frame.
- B. You want to use a radial gradient.
- C. You want to control the midpoint of the gradient.
- D. You want to control the angle of the gradient.

Correct Answer: C

QUESTION 4

Which is a true difference between the Color panel and the Swatches panel?

- A. The Color panel lets you apply a Lab color.
- B. The Swatches panel lets you apply the same color to more than one frame.
- C. The Swatches panel lets you apply spot colors.
- D. The Color panel lets you change a fill color from CMYK to RGB.

Correct Answer: B

QUESTION 5

In an image-editing application you are creating a graphic with a transparent background. In which format should you save the graphic so that the transparency is preserved as an alpha channel when you place it in InDesign for high-resolution CMYK printing?

- A. BMP
- B. GIF
- C. TIFF
- D. JPEG

Correct Answer: C

QUESTION 6

You are importing a Microsoft Word document. The paragraph styles in the Word document have different names than the styles in the InDesign document. How should you convert the Word styles to the corresponding InDesign styles so that the proper formatting is applied?

- A. After placing the Word document, select the styles in the Paragraph Styles panel, choose Redefine Style from the panel menu, then choose Load Paragraph styles from the panel menu.
- B. After placing the Word document, choose Edit > Find/Change and replace each Word style with the corresponding InDesign style.
- C. In the Place dialog box enable Show Import Options, and in the Import Options dialog box select Use InDesign Style Definition from the Paragraph Style Conflicts pop-up menu.
- D. In the Place dialog box enable Show Import Options, and in the Import Options dialog box click Customize Style Import and Style Mapping.

Correct Answer: B

QUESTION 7

You want to import pages from a long PDF document, but you need only pages 3 to 5. What is the most efficient way to

import those pages?

- A. In Acrobat, select page 3 in the Page Thumbnails panel, drag it to the InDesign document, and repeat for the other pages.
- B. In Acrobat, select multiple pages in Page Thumbnails panel and drag them to the InDesign document all at once.
- C. In InDesign, choose File > Place, select the PDF document, click Open, then for each page you want to place use arrow keys to select it in the place icon, then click.
- D. In InDesign, choose File > Place, select the PDF document, select Show Import Options, then in the Pages section, enter the page range you want.

Correct Answer: D

QUESTION 8

You want to make one corner of a rectangle curved. Why would it be better to use the Corner Options feature instead of the Pen tool?

- A. It allows you to edit the individual Bezier points faster.
- B. It is the only way to apply a curve to a single corner.
- C. It is easier to change the radius of the curve later.
- D. The Corner Options feature cannot apply a curve to a single corner.

Correct Answer: C

QUESTION 9

What are two reasons for why would you choose to save a Photoshop image in RGB rather than CMYK before placing it in your InDesign document? (Choose two.)

- A. RGB images can represent sharpened image detail better.
- B. RGB images are smaller in file size than equivalent CMYK images.
- C. RGB images are easier to color manage for varying printing conditions.
- D. You want to save the image in the Photoshop (PSD) format for better workflow.
- E. You want to save the image as a JPEG for smaller file size.

Correct Answer: BC

QUESTION 10

Which two features can you control in the Export to Interactive PDF dialog box? (Choose two.)

- A. Choose how RGB and CMYK images are converted
- B. Choose whether facing pages are exported as spreads or individual pages
- C. Set the initial view to Fit Page
- D. Specify keywords for the document metadata
- E. Set the transparency blend space for flattening transparency effects

Correct Answer: BE
