Correct Answer: A

#### QUESTION 5

Where is the ClearPass Guest Login page URL referenced in the Aruba Controller?

- A. Guest Access Policy
- B. WebAuth Profile
- C. Captive Portal Policy
- D. Captive Portal Authentication Profile
- E. Guest Enforcement Profile

Correct Answer: D

#### QUESTION 6

What is the purpose of a guest self-registration page in ClearPass?

- A. to allow employees to get their own devices securely connected to the network

- B. to allow contractors to create their own accounts in Active Directory
- C. to allow employees\ \ sponsors to create accounts for their guests
- D. to allow employees to easily get their corporate devices on the network
- E. to allow guest users to create a login account for the web login page

Correct Answer: B

Guest self-registration allows an administrator to customize the process for guests to create their own visitor accounts. Self-registration is also referred to as self-provisioned access
